EPHRAIM Juma

Student at Strathmore University

Nairobi, Nairobi County, Kenya

Summary

I am a third-year student at Strathmore University, pursuing a degree in Informatics and Computer Science. My experience includes proficiency in Java, JavaScript, and C++. Currently, I am undergoing training in Oracle Cloud Infrastructure AI Foundations. During a three-month community service stint at New Life Children's Home, I am contributing further by creating a system for them. My passion lies in cybersecurity, AI, and software development.

Education

Strathmore University

Bachelor of Informatics and Computer Science , Computer Science · (2022 - 2026)
